GRAMOPHONE
Dear Friends,

What a remarkable year Seraphic Fire has had. From Mozart to Mahler, Bach to Barber, we traversed centuries and continents together. In the end, however, none of this would be possible without you. We, the artists of Seraphic Fire, thank you for your incredible support, your amazing kindness, and your love of music.

My very best,
Patrick Dupré Quigley
Founder & Artistic Director

Dear Friends,

I take tremendous pride in this organization. As a supporter and partner, I know you do as well. Our commitment to you is to continue our excellence, innovation, community leadership, and to be something South Florida can be proud of on an international level. Thank you for what you made possible this past season, and for what you will help us to achieve in the coming years.

With appreciation,
Rhett Del Campo
Executive Director

Dear Friends,

I fell in love with Seraphic Fire after attending my first concert several years ago. Now, it is my great privilege to work with Patrick, and the entire Board, to guide us forward as we grow responsibly and with purpose. There are exciting new ideas and projects on the horizon and we can't wait to take the next important steps along with you. Thank you for your loyalty and support, and for being a part of this great organization.

Sincerely,
Alaina Fotiu-Wojtowicz
Chair, Board of Directors
